10th International Degrowth Conference and 15th Conference of the European Society for Ecological Economics

Programa da Conferencia

18 XUÑO

13:30–16:00
Rexistro na Conferencia
Lugar: Auditorio
A partir do 19 de xuño o mostrador de rexisto estará na Escola de Enxeñaría Forestal

16:00–17:20
Cerimonia de apertura
Lugar: Auditorio

17:30–18:30
Diálogo 1: *STS in the context of degrowth: science and technology in the era of colonial capitalist expansion*
Samer Abdelnour (The University of Edinburgh) & Annapurna Mamidipudi (Technical University of Berlin)
Modera: Tess Doezema (Universitat Autònoma de Barcelona)
YouTube Retransmisión en directo

18:30–19:30:
Diálogo 2: *Introduction to Ecological Economics and Degrowth*
Joshua Farley (University of Vermont), Giorgos Kallis (Universitat Autònoma de Barcelona) & Brototi Roy (Universitat Autònoma de Barcelona)
Modera: Alexandra Köves (Corvinus University of Budapest)

SEDES

- PAZO DA CULTURA
- ESCOLA DE ENXEÑARÍA FORESTAL
- FACULTADE DE COMUNICACIÓN/ DIRECCIÓN E XESTIÓN PÚBLICA
- FACULTADE DE FISIOTERAPIA
- CARPA DE PLENARIAS, A XUNQUEIRA
- CARPA DE XANTARES, A XUNQUEIRA

19 XUÑO

9:00–10:30

Espazo Xove I: Espazo Xove
Lugar: Auditorio A

CSS160: *Care work in the just transition*
Lugar: Aula 1

CSS138: *A 5 to 10-year strategic plan for a post-growth modeling community and the idea of a community model*
Lugar: Aula 2

SS16: *The Politics of Renewables: Co-Creation or Co-Option of Rural Populace in Energy Transitions*
Lugar: Aula 10

SS15: *Sustainable development and management of the subsurface*
Lugar: Aula 11

SS12 - I: *I Post-growth Urban Infrastructures*
Lugar: Aula 12

CSS118-I: *A Just Transition to Circular Economy I*
Lugar: Aula 6
This session presents the main results of the H2020 funded JUST2CE

CSS101: *Enabling radical change and institutional transformation*
Lugar: Aula 7

SS08-I: *I Neoliberal nature: commodification, plural values and governing of nature in the Capitalocene*
Lugar: Aula 8

Espazo Xove II: Espazo Xove
Lugar: Aula Magna

CSS10: *I Post-growth Academia– towards the revival of academics as intellectuals of consequence*
Lugar: Aula 9

CSS171: *Step into the Doughnut: An interactive session*
Lugar: Lab Enxeñaría Cartográfica

CSS107: *Degrowth Journal: Building slow science fit for a sustainable society*
Lugar: Aula 9

T4.1: *Political economy and political ecology*
Lugar: Aula 10

T2.1: *Theoretical perspectives and debates around STI and degrowth I*
Lugar: Aula 11

T12.5: *Transformative businesses and organizations in a postgrowth context*
Lugar: Aula 12

T6.5: *Ecological macroeconomics*
Lugar: Aula 13

T10.5: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula 14

T8.3: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 15

Espazo Xove III: Espazo Xove
Lugar: Aula Magna

ISO1: *Interactive Session 01*
Lugar: Seminario 1
Session 1: Re-imagining daily life through the lenses of travel
Session 2: How might ritual be a practice to embody regrowth?
Session 3: Reflection and dialogue space

ISO15: *Caring in activist practices and weaving relations in movements: An interactive reflection*
Lugar: Seminario 2

T9.2: *Blue economies and degrowth / postgrowth*
Lugar: Seminario 3

CSS125: *Investing in degrowth: resourcing postgrowth futures*
Lugar: Seminario 4

T4.4: *Political economy and political ecology*
Lugar: Seminario 7

IS23: *Rooting relationships: exploring a deep economy*
Lugar: Sala de Congresos

11:00–12:00

Diálogo 3: *The politics of materials and the plastic industry*
Ekaterina Chertkovskaya (Lund University) & Alice Mah (University of Glasgow)
Modera: Vincenzo Pavone
YouTube Retransmisión en directo

12:00–13:30

Espazo Xove II: Espazo Xove
Lugar: Auditorio A

CSS128: *Exploring the promise of wellbeing economy in the postgrowth context*
Lugar: Aula 1

CSS139: *Macroeconomic modelling for wellbeing and sustainability*
Lugar: Aula 2

ISO1: *(In)justices in Small-scale fishers' livelihoods facing climate change*
Lugar: Aula 3

SS11: *Post-growth in the urbanized periphery*
Lugar: Aula 9

SS12 - II: *I Post-growth Urban Infrastructures*
Lugar: Aula 11

T12.6: *Transformative businesses and organizations in a postgrowth context*
Lugar: Aula 12

T6.7: *Ecological macroeconomics*
Lugar: Aula 13

CSS118-II: *A Just Transition to Circular Economy II*
Lugar: Aula 6
This session presents the results of the H2020 funded project JUST2CE

CSS102: *Changing the world with(out) taking state power?*
Lugar: Aula 7

SS08 II: *II Neoliberal nature: commodification, plural values and governing of nature in the Capitalocene*
Lugar: Aula 8

Espazo Xove IV: Espazo Xove
Lugar: Aula Magna

ISO3: *Organizing to decolonize science – connecting activism, politics and academia*
Lugar: Aula 9

CSS112: *Discussing a Law & Degrowth research agenda*
Lugar: Lab Enxeñaría Cartográfica

T4.9: *Political economy and political ecology*
Lugar: Seminario 2

T4.11: *Political economy and political ecology*
Lugar: Seminario 3

T1.1: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Seminario 4

T12.6: *Transformative businesses and organizations in a postgrowth context*
Lugar: Seminario 6

T7.2: *Ecosystem services and biodiversity conservation*
Lugar: Seminario 7

T7.1: *Ecosystem services and biodiversity conservation*
Lugar: Aula 15

13:30–15:00
Xantar día 1
Só para aquelas persoas que fixesen a reserva durante o rexisto

14:30–15:00
Posters Session I
Lugar: Corredor da Escola de Enxeñaría Forestal

15:00–16:30

CSS132: *Forging masculinities for pleasurable postgrowth futures*
Lugar: Auditorio A

CSS133: *Just Transition: in the Factory, in the Fields (cases and reflections from Italy)*
Lugar: Aula 1

CSS19: *Come and meet the International Degrowth Network (IDN)*
Lugar: Lab Enxeñaría Cartográfica

SS26: *Just Transitions and Degrowth*
Lugar: Aula 2

SS93: *FaDA Session: Communication of care*
Lugar: Seminario 3

SS09: *Post-extractivism and degrowth: insights from the ground*
Lugar: Seminario 4

CSS123: *Growing' to degrow: A storytelling session with women farmers in alternative food networks of Galicia*
Lugar: Aula 5

T4.3: *Political economy and political ecology*
Lugar: Aula 6

CSS130: *Management Educators Navigating degrowth (MEND): Towards Post growth*
Lugar: Aula 7

SS17: *Theorising degrowth transformations from the peripheries*
Lugar: Aula 8

CSS141: *Good Praxis mutual aid workshop*
Lugar: Aula Magna

SS04: *Power to the People: Innovation communities for democratic empowerment and socio-ecological transformation*
Lugar: Aula 9

IS17: *Policy workshop on a Green and Social Deal beyond growth: an intergenerational discussion*
Lugar: Seminario 2

T3.3: *Human creativity and innovation without growth*
Lugar: Aula 10

T12.4: *Transformative businesses and organizations in a postgrowth context*
Lugar: Aula 11

T10.10: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Seminario 4

T11.8: *Enabling radical change and institutional transformation*
Lugar: Seminario 7

ART260: *Medo Azul*
Lugar: Sala de Congresos

16:30–18:00

Degrowth Open Mic
Lugar: Auditorio A
Presidente: Noémie Cadiou
Presidente: JP Arellano

ESEE General Assembly

20 XUÑO

9:00–10:30

CSS149: *Unlocking collective creativity for a sustainable future*
Lugar: Auditorio A

SS25-: *I Less stuff, sufficient future for everyone: Exploring the intersection of minimalism and sufficient consumption*
Lugar: Aula 1

CSS162: *Creating an effective, collaborative post-growth modeling community*
Lugar: Aula 2

CSS88: *Bridging divides: A transformative workshop on nonviolent communication and degrowth*
Lugar: Aula 5

CSS143: *I: I - A Care Income to Protect the Land, the People and the Natural World*
Lugar: Aula 4

SS14 - I: *I Social metabolism and agrarian and food transitions: articulating analysis and social transformation*
Lugar: Aula 5

SS23 - I: *I Anarchy & degrowth: towards rebellious, prefigurative and insurrectionary degrowth ecologies*
Lugar: Aula 6

SS18 - I: *I Towards non-anthropocentric nature-based solutions (NBS): Theory, methodology, and policy implications*
Lugar: Aula 7

SS20 - I: *I Waste and degrowth*
Lugar: Aula 8

SS19 - I: *I Visions of a Just Transition: On Social-Ecological Inequalities and Transformations*
Lugar: Aula 9

T3.2: *Human creativity and innovation without growth*
Lugar: Aula 9

T4.13: *Political economy and political ecology*
Lugar: Aula 4

T5.7: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 9

CSS153: *Mediterranean café: Research geographies and climate action from the South*
Lugar: Aula 12

T6.9: *Ecological macroeconomics*
Lugar: Aula 13

T7.4: *Ecosystem services and biodiversity conservation*
Lugar: Aula 14

T8.6: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 15

CSS151: *'A future degrowth agenda: Decolonial voices and interdisciplinary perspectives" Book presentation*
Lugar: Aula Magna

T10.2: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Magna

T10.11: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Teresa Portela

T6.1: *Ecological macroeconomics*
Lugar: Aula 10

ISO5: *Decoding Horizon Europe for degrowth*
Lugar: Seminario 1

IS18: *Fostering "Regenerative Activism": A transformational tool for the degrowth transition*
Lugar: Seminario 2

ART2: *Art and Science in Degrowth: A ManiQuesto*
Lugar: Sala de Congresos

11:00–12:00

Espazo Xove VI: *Espazo Xove*
Lugar: Lab Enxeñaría Cartográfica

Diálogo 4: *What Circular Economy?*
Kersty Hobson (University of Cardiff) & Hans-Christian Eberl (European Comission, responsible for Circular Economy in Horizon Europe)
Modera: Andrea Genovese (Sheffield University Management School)
YouTube Retransmisión en directo

12:00–13:30

ART3: *Let the magic be*
Lugar: Auditorio A

SS25- II: *Degrowth visions for the fashion system: New narratives, consumption, and collective action*
Lugar: Aula 1

ISO2: *Degrowth and Patriarchy. Summarising an ecofeminist, planversal, multicultural, just and decolonial project.*
Lugar: Aula 2

CSS113: *FULFILL: Fundamental Decarbonisation through sufficiency by lifestyle changes*
Lugar: Aula 3

CSS143 - II: *II - A Care Income to Protect the Land, the People and the Natural World*
Lugar: Aula 4

SS14 - II: *II Social metabolism and agrarian and food transitions: articulating analysis and social transformation*
Lugar: Aula 10

SS23 - II: *II Anarchy & Degrowth: towards rebellious, prefigurative and insurrectionary degrowth ecologies*
Lugar: Aula 6

SS18 - II: *II Towards non-anthropocentric nature-based solutions (NBS): Theory, methodology, and policy implications*
Lugar: Aula 7

SS20 - II: *II Waste and Degrowth*
Lugar: Aula 8

SS19 - II: *II Visions of a Just Transition: On Social-Ecological Inequalities and Transformations*
Lugar: Aula 9

T4.5: *Political economy and political ecology*
Lugar: Aula 3

T4.14: *Political economy and political ecology*
Lugar: Aula 10

T5.8: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 11

T6.1: *Ecological macroeconomics*
Lugar: Aula 12

T6.10: *Ecological macroeconomics*
Lugar: Aula 13

T7.5: *Ecosystem services and biodiversity conservation*
Lugar: Aula 14

T8.7: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 15

CSS154: *Caring for health within planetary boundaries*
Lugar: Aula Magna

T10.3: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Susana Rodríguez

T4.8: *Political economy and political ecology*
Lugar: Aula Teresa Portela

T6.5: *Ecological macroeconomics*
Lugar: Aula 3

ISO6: *When does Material Efficiency become Circularity? In Search of a Pluralist Conceptualization of the Circular Economy*
Lugar: Seminario 1

IS19: *Radicalizing the climate justice movement into degrowth through critical pedagogies*
Lugar: Seminario 2

IS22: *Participatory spatial planning for degrowth*
Lugar: Seminario 7

ESEE Students: *ESEE Best Student Paper*
Lugar: Sala de Congresos

13:30–15:00
Xantar día 2
Só para aquelas persoas que fixesen a reserva durante o rexisto

14:30–15:00
Posters Session II
Lugar: Corredor da Escola de Enxeñaría Forestal
Ver Poster Session I para máis detalles

15:00–16:00
Diálogo 5: *Technology and democracy: The right to repair movement*
Ugo Vallauri & Blanca Callén (Universitat Autònoma de Barcelona)
Modera: Javier Lloveras (Universidade de Vigo)
YouTube Retransmisión en directo

16:00–17:30

ART1: *Acting for a sustainable future – a video-theatre experience*
Lugar: Auditorio A

SS32: *Bottom-up transformation of businesses for postgrowth*
Lugar: Aula 1

ISO7: *Sustainability by default – an audiwalk for radical reflection*
Lugar: Aula 2

CSS161: *Exploring your "Third Culture" – methods to think differently about sustainable mobility and beyond*
Lugar: Aula 5

SS16: *Book project: economic growth between progress, dependency and coercion*
Lugar: Aula 6

SS14 - III: *III Social metabolism and agrarian and food transitions: articulating analysis and social transformation*
Lugar: Aula 8

SS05: *From Growth Boosters to Growth Busters: Critical and Transformative Marketing approaches meet the Degrowth Movement*
Lugar: Aula 6

SS04: *FaDa Track: Feminism and Degrowth Alliance meets socialisation and commonisation in theory and practice*
Lugar: Aula 7

SS20 - III: *III Waste and Degrowth*
Lugar: Aula 8

CSS131: *Exploring Degrowth: A Critical Guide - Book presentation, feedback, updates and perspectives*
Lugar: Aula 9

CSS104: *Cultivating collective creativity through Indigenous ways of knowing*
Lugar: Lab Enxeñaría Cartográfica

T4.6: *Political economy and political ecology*
Lugar: Aula 9

T5.9: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 11

T6.2: *Ecological macroeconomics*
Lugar: Aula 12

T7.6: *Ecosystem services and biodiversity conservation*
Lugar: Aula 14

T8.8: *Energy, resources, and energy/matter flow analyses*
Lugar: Aula 7

CSS158: *Harnessing the collective power of community-led initiatives as enablers of a post-growth European Green Deal*
Lugar: Aula Magna

T10.4: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Susana Rodríguez

T11.2: *Enabling radical change and institutional transformation*
Lugar: Aula Teresa Portela

T11.3: *Enabling radical change and institutional transformation*
Lugar: Aula 3

ISO8: *Making policy interventions - a workshop*
Lugar: Seminario 1

IS20: *Resilience in Resistance: Learnings from the Indian Farmers' Movement against neoliberal agricultural reforms*
Lugar: Seminario 3

IS24: *What do snails dream about? Practicing group creativity through constraint-based brainstorming.*
Lugar: Sala de Congresos

17:30–18:30
ESEE Students: *ESEE Students Meet Up*
Lugar: Sala de Congresos

21 XUÑO

9:00–10:30

ART462: *Art and Deliberation: Degrowth through the lens of the Climate and Ecology Blueprint*
Lugar: Auditorio A

T1.10: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 1

T1.4: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 2

T1.7: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 3

T5.2: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 4

T2.4: *Theoretical perspectives and debates around STI and degrowth I postgrowth*
Lugar: Aula 5

SS21 - I: *I Spaces for Degrowth: Transforming existing spaces and infrastructures for degrowth as a challenge of the repoliticisation of spatial planning*
Lugar: Aula 6

SS22- I: *I Spaces for Degrowth: Urban metabolisms and solidary spaces of degrowth between the Global South and Global North*
Lugar: Aula 7

T13.3: *Putting wellbeing at the center of the economy*
Lugar: Aula 8

T12.1: *Transformative businesses and organizations in a postgrowth context*
Lugar: Aula Magna

SS24 I: *I Embodying degrowth, healing from alienation*
Lugar: Lab Enxeñaría Cartográfica

T4.7: *Political economy and political ecology*
Lugar: Aula 9

T5.4: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 10

T5.10: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 11

T6.3: *Ecological macroeconomics*
Lugar: Aula 12

T6.12: *Ecological macroeconomics*
Lugar: Aula 13

11:00–12:00

Diálogo 6: *Rethinking Innovation: Alternative approaches for People and Planet*
Alejandra Boni (Ingenio - UPV), Adrian Smith (University of Sussex) & Andrea Jiménez (University of Sheffield)
Modera: Mario Pansera (Universidade de Vigo)
YouTube Retransmisión en directo

12:00–13:30

ART982: *Witch Science?*
Lugar: Auditorio A

T1.2: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 1

T1.6: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 2

T1.8: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 3

T2.2: *Theoretical perspectives and debates around STI and degrowth I postgrowth*
Lugar: Aula 9

T3.1: *Human creativity and innovation without growth*
Lugar: Aula 10

SS21 II: *II Spaces for Degrowth: Transforming existing spaces and infrastructures for degrowth as a challenge of the repoliticisation of spatial planning*
Lugar: Aula 6

SS22 - I: *I Spaces for Degrowth: Urban metabolisms and solidary spaces of degrowth between the Global South and Global North*
Lugar: Aula 7

T13.4: *Putting wellbeing at the center of the economy*
Lugar: Aula 8

T11.2: *Transformative businesses and organizations in a postgrowth context*
Lugar: Aula Magna

SS24 II: *II Embodying degrowth, healing from alienation*
Lugar: Aula Teresa Portela

T5.3: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 9

T5.5: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 10

T5.11: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 11

T6.4: *Ecological macroeconomics*
Lugar: Aula 12

T11.1: *Enabling radical change and institutional transformation*
Lugar: Aula 13

T8.1: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 14

T8.10: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 15

CSS156: *Metamorhosis: exploring queer ecology and degrowth*
Lugar: Aula 9

T10.8: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Susana Rodríguez

T11.4: *Enabling radical change and institutional transformation*
Lugar: Aula Teresa Portela

IS13: *Embodied learning of Global South experiences and global dynamics- a workshop teaser*
Lugar: Seminario 1

IS14: *Can employees in the international 'development' sector become advocates for degrowth*
Lugar: Seminario 7

IS11: *Interactive workshop on transformative spaces for degrowth*
Lugar: Sala de Congresos

13:30–15:00
Xantar día 3
Só para aquelas persoas que fixesen a reserva durante o rexisto

14:30–15:00
Posters Session III
Lugar: Corredor da Escola de Enxeñaría Forestal
Ver Poster Session I para máis detalles

BSP Ceremony

15:00–16:00
Diálogo 7: *Climate Change and Degrowth*
Julia Steinberger (University of Lausanne) & Carlo Buontempo (Director of Copernicus Climate Service of the EU)
Modera: (Universidade de Vigo)
YouTube Retransmisión en directo

16:00–17:30

BSP: *Best Student Paper*
Lugar: Auditorio A

T1.3: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 1

T1.5: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 2

T1.9: *Imagining post-growth Science, Technology, and Innovation (STI) futures*
Lugar: Aula 3

T2.3: *Theoretical perspectives and debates around STI and degrowth I postgrowth*
Lugar: Aula 9

T8.4: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 10

T13.2: *Putting wellbeing at the center of the economy*
Lugar: Aula 7

T13.1: *Putting wellbeing at the center of the economy*
Lugar: Aula 7

T13.5: *Putting wellbeing at the center of the economy*
Lugar: Auditorio A

T5.1: *Policy assessment, critique, and alternative proposals*
Lugar: Aula Magna

CSS150: *How to co-create knowledge for inclusive biodiversity policies?*
Lugar: Lab Enxeñaría Cartográfica

T4.9: *Political economy and political ecology*
Lugar: Aula 9

T5.12: *Policy assessment, critique, and alternative proposals*
Lugar: Aula 11

T4.12: *Political economy and political ecology*
Lugar: Aula 12

T6.14: *Ecological macroeconomics*
Lugar: Aula 13

T8.2: *Energy, resources, and energy/ matter flow analyses*
Lugar: Aula 14

T9.1: *Blue economies and degrowth / postgrowth*
Lugar: Aula 15

CSS116: *We are here too! A workshop on how Language Affects Climate and on Radical Inclusion of the Non-Humans in the Language of Policy Documents*
Lugar: Aula Magna

T10.7: *Challenging dominant values, ideologies, and imaginaries*
Lugar: Aula Susana Rodríguez

T11.5: *Enabling radical change and institutional transformation*
Lugar: Aula Teresa Portela

IS12: *Just friends: Intimate relations in a degrowth future*
Lugar: Sala de Congresos
